

**GEISLER ART**

# ART COMMISSIONS

*An art commission is when a work of art is requested to be made for a specific purpose.*

***Every request in this binder is from a member of the Geisler Community and will be displayed somewhere in the school.***

***Each Commission comes with its own specific requirements that need to be fulfilled, so **READ** them carefully.***

*Each commission will count toward one presentation event toward your grade, unless otherwise noted on the commission.*
